

Useful links for Jobs in Mineral Sciences-related careers

LEGEND Programme codes (EUROMIN):					
MS	Mineral sciences				
AMS	Applied mineral sciences				
GS	Geological sciences / Geosciences				
AGS	Applied geological sciences / Geosciences				
EarthS	Earth sciences				
AEarthS	Applied Earth sciences				
ES	Environmental sciences				
AES	Applied environmental sciences (incl. Natural risks)				
MatS	Material science				
AMatS	Applied material science				
Eng	Engineering (including mining, oil and gas)				
AEng	Applied engineering				
CH	Cultural heritage				
O	Others				
Name	MS-related academic profile	Website address	Comments	Access for search	Language
Elements (International magazine of mineralogy, geochemistry and petrology)	MS / AMS	http://www.elementsmagazine.org/jobpostings.htm	Jobs mainly in research or analytic instruments companies (international)	free	EN
Mineralogical Association of Canada (MAC)	MS / AMS	http://www.mineralogicalassociation.ca/index.php?p=40	Jobs in research (PhD and post-doc) and in production (mainly in Canada, USA)	free	EN
The Geochemical Society	MS / AMS	http://www.geochemsoc.org/news/joblinks/	Job announcements, postdoctoral opportunities, and funded student fellowships and assistantships (international)	free	EN
Society of Economic Geologists (SEG)	MS / AMS	http://www.segweb.org/students/	SEG Foundation Student fellowship and grants Programs (M.Sc. research)	free	EN
European Mineralogical Union (EMU)	MS / AMS	http://www.univie.ac.at/Mineralogie/EMU/	Links to job opportunities offered by the MS-related associations (Europe)	free	EN
The German Crystallographic Association (DGK)	MS	http://www.dgkristall2.de/	academic positions in Crystallography + links to similar websites	free	DE
European Crystallographic Association (ECA)	MS	http://www.ecanews.org/positions.php	Job opening, mainly in academic education and research (Europe)	free	EN
Minerals Engineering International online	AMS / Eng	http://www.min-eng.com/jobs/index.html	Jobs in mining and mineral processing (international)	free	EN
Global Info Mine	AMS / Eng	http://www.infomine.com/careers/	International job offers in mining and engineering, with advanced search	free search	EN
Jobs for Mining	AMS / AGS	http://www.jobs4mining.com/	A partnership between Minesite and Jobs4 Recruitment offers jobs news in general Geosciences related to mining (international)	free	EN

Useful links for Jobs in Mineral Sciences-related careers

Career homepage of Society for Mining, Metallurgy, and Exploration (SME)	AMS / AGS	http://www.miningjobs.org/	Leading job resource for mining and mineral professionals (international)	free	EN
Mineral Economics & Management Society (MEMS) (USA)	AMS	http://www.minecon.com/	Jobs in minerals and materials industries, including resource, energy, and environmental issues (USA)	free	EN
Science Magazine	GS / ES	http://sciencecareers.sciencemag.org/	General science career directory, incl. Environmental and Geosciences, with advanced search	free	EN
University of North Carolina Wilmington (USA)	GS / ES	http://www.uncwil.edu/stuaff/career/Majors/geology.htm	Excellent career information, advice and links to geology- and environmental science job websites	free	EN
University Utrecht, Faculty of Geosciences (NL)	GS / Eng	http://www.earthworks-jobs.com/acad.htm	Geoscience Research & Technical Jobs	free	EN
Total Jobs (UK)	GS / EarthS / ES	http://www.totaljobs.com/	General job offers, including special page for graduates, with advanced search (UK and Europe)	free	EN
Geology and Earth Science electronic magazine (USA)	GS / EarthS	http://geology.com/jobs.htm	Various news in Geo- and Earth Sciences, incl. career information and jobs, graduate studies offers (mainly in the USA)	free	EN
The Geological Society (UK)	GS / AGS	http://www.geolsoc.org.uk/gsl/site/GSL/joblistings	Geology-related job listings with improved search functions	free	EN
GeoSearch Inc.	GS / AGS	http://www.geosearch.com/	Geosciences-related jobs (mainly in USA+international)	free	EN
Hire Rocket (GeoWeb jobs)	GS / AGS	http://www.ggrweb.com/job.html	Geosciences-related jobs (USA)	free	EN
American Geological Institute (AGI)	GS / AGS	http://www.agiweb.org/careers.html	Guide to Geoscience careers and employers (mainly in the USA)	free	
Union Francaise des Geologues	GS / AGS	http://www.ufg.asso.fr/front/accueil.asp	Jobs in (applied) geological sciences	based on membership	FR
Geology jobs Itza list	GS / AGS	http://www.itzalist.com/bus/geology-jobs.html	Searches and helpful information such as job requirements, qualifications, and salary for careers and jobs in the field of geology	free	EN
EuroGeoSurveys (Association of the Geological Surveys of Europe)	GS / AGS	http://www.eurogeosurveys.org/career.html	Links to job opportunities offered by the 33 members of the association	free	EN
Yahoo groups - Geoscience Employment Opportunities	GS	http://tech.groups.yahoo.com/group/GeoSci-Jobs/	limited number of postings	free	EN
Bogy's Geology links (USA) - Geojobs	GS	http://www.geologylinks.com/jobs.html	Comprehensive list of links to Geology-related job listings	free	EN
European Synchrotron Radiation Facility (ESRF)	AGS / MatS	http://www.esrf.eu/	Research (PhD and post-doc level) positions at the ESRF (France)	free	EN
Working Smart	AGS / Eng	http://www.working-smart.co.uk/	Specialist recruitment company solely for the global upstream oil and gas industry (incl. useful career advice)	free, upon registr.	
Energy Institute, UK	AGS / Eng	http://jobsearch.petroleum.monster.co.uk/	Jobs in Oil and gas industry	free	EN
International Association for Mathematical Geosciences (IAMG)	AGS	http://www.iamg.org/index.php/publisher/articleview/frmArticleID/190/	Jobs in Mathematical Geosciences, mainly in research (PhD and post-doc)	free	EN
Jobs in Public Sector (UK)	AGS	http://www.jobsinpublicsector.co.uk/	Public, charity and not for profit jobs: environment, governmental, libraries & museums	free	EN
Environmental Jobs and careers	ES / AES	http://www.ecoemploy.com/	Government jobs & environmental agencies (USA) + related links	free	EN
Environmental careers and opportunities	ES / AES	http://www.ecojobs.com/	500 environmental jobs (USA) including education, research, legal aspects	free	EN

Useful links for Jobs in Mineral Sciences-related careers

ENDS Job search	ES / AES	http://www.endsjobsearch.co.uk/	More than 500 environmental-related jobs (UK, Europe, international)	free	EN
Environment Job	ES / AES	http://www.environmentjob.co.uk/	Environmental jobs, courses and events (UK, international)	free	EN
THINK Jobs.com	Eng / AGS	http://www.thinkjobs.com/	The most popular engineering staffing company (USA only)	free	EN
Worldwide Worker (energy jobs)	Eng / AGS	http://www.worldwideworker.com/energy-jobs/	International offers, including mining and engineering, with advanced search	free	EN
Earthworks	EarthS / AES	http://www.earthworks-jobs.com/	A very good website for jobs in general Earth Sciences, with topic-related search	free	EN
New Scientist Jobs	EarthS / ES	http://www.newscientistjobs.com/jobs/	Hundreds of science jobs, including Environmental & Earth Sciences, with advanced search	free	EN
MYGEO	EarthS /AEarthS	http://www.mygeo.info/geojobs.html	portal for useful information and tools related to Geography and Earth Science + many links to career openings websites (international)	free	DE
Nature Magazine	EarthS /AEarthS	http://www.nature.com/naturejobs/index.html	Science jobs worldwide with advanced search filter	free	EN
The Daily Galaxy (USA)	EarthS / ES	http://dailygalaxy.jobamatic.com/a/jobs/find-jobs	Jobs in Science, Technology and Green Sector (USA)	free	EN
European Science Foundation (ESF)	General (science)	http://www.esf.org/jobs/current-vacancies.html	Job opening in research within the ESF (Europe)	free	EN
